STUDENTS OF ELECTRONICS ENGINEERING ASSOCIATION

Proposal To: -

Dr. Nand Kishore Sir

Assistant Professor

Electronics Engineering Department

Harcourt Butler Technical University, Kanpur

VISION-

*The vision for the Association of Students of Electronic Engineering is to cultivate a vibrant community that serves as a hub for collaboration, learning, and professional development. Our goal is to create an inclusive space where electronic engineering students can connect, share ideas, and embark on projects that showcase their skills.

*Through a series of workshops, seminars, and hands-on projects, we aim to supplement academic curriculum with practical experiences, fostering a deeper understanding of electronic engineering concepts. Our vision extends beyond the classroom, emphasizing the importance of networking and engagement with professionals in the field.

*By establishing strong ties with ALUMNI's, we seek to provide members with opportunities for internships, mentorship, and exposure to real-world applications of electronics engineering. The association aims to be a catalyst for innovation, encouraging members to explore emerging technologies and contribute to the advancement of the field.

*Ultimately, our vision is to empower electronic engineering students, equipping them with the knowledge, skills, and connections necessary for successful and impactful careers in the ever-evolving world of electronics. Together, we strive to build a community that fosters both personal and professional growth, ensuring a bright future for the next generation of electronic engineers.
